## JOB ANNOUNCEMENT

### HATCHERY MANAGER

#### Gulkana Hatchery

**Unleash your passion for fisheries and salmon resource sustainability in the rugged backcountry!** At Gulkana Hatchery, you'll have the opportunity to work in the beautiful wilderness of Interior Alaska, while still having easy access to modern city amenities.

Located near Paxson, just a 3-hour scenic drive from Fairbanks, you'll have the chance to immerse yourself in the wilderness, enjoy city amenities, and contribute towards PWSAC's mission of salmon resource sustainability. Our non-profit team is dedicated to ethically and professionally optimizing salmon production for all user groups.

PWSAC is looking for an experienced professional to join our team and lead our Pacific Sockeye (Red) salmon hatchery operations. As a key member of our team, you'll be responsible for overseeing all aspects of hatchery operations, including fish culture, personnel management, safety and compliance, and budgeting. To excel in this role, you'll need a deep understanding of fish hatchery operations, aquaculture practices, and a proven track record of strong management skills. You'll also need to be adaptable, able to work well under pressure, and committed to producing high-quality work.

Work performed on site during hatchery operations mid-February through October with the option to telework from your homebase November through February.
