JOB ANNOUNCEMENT

HATCHERY MANAGER

Armin F Koernig Hatchery

Experience the beauty of pristine Alaskan wilderness while working at a large scale salmon hatchery in the Prince William Sound.

Armin F Koernig Hatchery (AFK) is an off-grid facility located on Evans Island, only a 10-minute boat ride from Chenega, a small rural community with weekly commuter plane access. AFK releases nearly 200 million smolt of Pink and Chum salmon each year, contributing to resource sustainability in the southwest region of the Prince William Sound.

PWSAC is looking for an experienced professional to join our team and lead our Pacific Chum and Pink salmon hatchery operations. As a key member of our team, you'll be responsible for overseeing all aspects of hatchery operations, including fish culture, personnel management, safety and compliance, and budgeting. To excel in this role, you'll need a deep understanding of fish hatchery operations, aquaculture practices, and a proven track record of strong management skills. You'll also need to be adaptable, able to work well under pressure, and committed to producing high-quality work.

Year-round residence in furnished housing, utilities included, is provided as part of our benefit package.

Join our non-profit team and make a meaningful impact on the sustainable salmon fisheries while enjoying the ample fishing, hunting, and outdoor recreation opportunities in Prince William Sound.
